The President's Message

Dr. J. P. Kamalanathan

Dear Members,

The first three months of our fiscal year have been busy. During this short time we have done much – so let me take you through...

Our first session with General Practitioners (GPs) on the ground took off well in Kelantan. It was held on 28th July 2017 along with a CPD programme involving Dermatology. Dr Wan Hasbee, Consultant Dermatologist, from Hospital Raja Perempuan Zainab II gave a talk on Common Skin Diseases in General Practice. The session was well attended by more than 100 participants from Kelantan. They were also given a briefing on AFPM and the advantages of membership by Datuk Dr. Sheikh Mohd Amin, our Dean of Graduate studies. The session was coordinated by Dr. Nurhayati bt Mohamad who is the AFPM chapter head for Kelantan, Dr Rahimi bin Sayutti of Klinik Primer Kota Bharu and Dr. Ilham Ameera Ismail of the AFPM Council. Present on site during the session was Associate Professor Dr Mohammad Husni Jamal who is Chairman of the AFPM Council, President Elect Dr. Harbaksh Singh, and our Honorary Treasurer, Dr. Kaviyarasan.

We have had to move to temporary quarters because of the government procurement of our land and building. Our current location is in Technology Park Malaysia (TPM) following renovations. This will be our administrative headquarters till our permanent site is complete.

Meanwhile, work is in progress for the identification of land for our official site. A meeting was held with the Chief Minister of Selangor, Dato' Seri Mohamed Azmin Ali for land from Selangor for the Academies. The members of the team involved were the Master of Academy of Medicine, President of AFPM and the Presidents of the College of Medicine and the College of Surgery as well as Tan Sri Dato Dr. Yahya Awang who facilitated the visit. We were taken to the proposed site and formalities are on-going with the Land Office of Selangor. Other sites in Technology Park Malaysia (TPM) are being considered as well.

The accreditation visit by the Royal Australian College of General Practitioners (RACGP) that took place from 26-28 September, 2017 went well. Leading our team was Datuk Dr. Sheikh Mohd Amin and Dr. Emma F. Zulkifli our Censor in Chief. The documentation with reference to our training activities was scrutinized by the RACGP team that consisted of Dr Mark Miller and Dr Ken Wanguhu who were encouraging in their remarks. The formal feedback is expected shortly.

We recently lost a stalwart among our administrative staff. Mr K. Paridevan Kanagaratnam, the AFPM Manager passed away after a short illness on 14th September, 2017. We will miss him. A formal delegation from AFPM visited his family to extend our condolences.

AFPM for the better health of our people.

Dr J. P. Kamalanathan

President

Academy of Family Physicians of Malaysia
2017-2018

The Chairman's Message

A/Prof. Dr. Mohammad Husni Bin Jamal

We are quite settled down now in our new rented premises at Technology Park Malaysia (TPM), and it's a wonderful change in scenery and ambience, with lots of greenery and serenity. The office has much more floor space available.

The new location has excellent connectivities in terms of public transport, especially the upcoming Mass Rapid Transport system.

The Medical Academies Board of Management will be meeting soon to come to a decision on our next permanent premises. Several plots of land and buildings in TPM, as well as in Selangor, are being considered. It is a decision that has to be made very carefully as it is a major undertaking, and if it's the construction of a new building, we need to ensure that not only must the project get off the ground well, but we need to ensure that the project can be completed within the time frame that we allotted for the rental of the current premises. The other alternative is to buy over an existing building, but then again there will be issues about repairs and renovations.

Whatever the decision, transparency and accountability will be the order of the day.

On the operations side, corporate governance, accountability and good financial protocol is being further looked into by undertaking a thorough Activity Based Costing into our academic programmes so as to ensure a proper budgetary and costing system.

The Finance committee of which I am the advisor, had its meeting recently to look into matters related to the ongoing organisational restructuring. The committee had also coopted 2 new members in view of the wider responsibilities that ensue.

A/Prof. Dr. Mohammad Husni Jamal

Chairman of Council

The Honorary Secretary's Message

A/Prof. Dr. Chandramani Thuraisingham

It gives me great pleasure to welcome you to the 3rd issue of Berita for this year.

I take this opportunity to update you with much that has happened since the Secretariat of the Academy of Family Physicians of Malaysia officially relocated to new premises at Technology Park Malaysia. This took place on the 1st July, following the possession of our building by the MRT Project. It was indeed a speedy operation but thanks to our able and efficient Academy staff the move was uneventful and was carried off very smoothly. We are now in a relatively peaceful environment again with the other Academies amongst greenery where the air is purer and less polluted, and where I hope we will be able to serve you better and take the Academy to even greater heights. At the initial and critical stage, we also made use of our office at the MMA Building to tide over logistic problems, but am happy to say that the 'family' is all back together again at Technology Park Malaysia, each with their individual work-stations and in full force.

The Academy of Family Physicians has also been having on-going discussions with the Ministry of Health Malaysia in our effort to serve our members better and elevate the standard of general practice in Malaysia.

Finally, we have just completed the much awaited RACGP Accreditation Process from the 26th to 28th September and are now looking forward to more activity in the last quarter of this year.

Once again, I would like to thank you for having accommodated any inconvenience caused by our relocation, and we look forward to working together again.

A/Prof. Dr. Chandramani Thuraisingham

Honorary Secretary

Report from the Examiners Board

Conjoint AFPM/FRACGP Part 2 Examination held of the 8-9th July 2017

Total number of candidates sat for the exam	62
Number of candidates passed	34
Percentage passing rate	54.8%
Total of candidates scoring more than 70% of total marks of 800	10

Top candidates (at first attempt):

1.	Dr Ong Hoon Ngoh	(73.7%)
2.	Dr Lin Tzi Quen	(72.2%)
3.	Dr Lai Wei Jie	(71.6%)

Congratulations to all who have passed. You have worked hard to deserve this sweet success. This year's passing rate is even better than that of last year (2016) where the passing rate was 40.4%.

The Censor-in-Chief of RACGP Dr Mark Miller, who was here as one of the external examiners, was very impressed by the good selection of examination OSCEs which covered a wide spectrum of the general practice domains. He was equally impressed by the standard of performance of both our examiners as well as our candidates.

We have consistently improved on our passing rates year after year with better mentoring and training plans while maintaining the high standard of this Conjoint Examination ... without fear or favour.

Dr. Tan Chow-Wei

Chief Examiner

RACGP ACCREDITATION VISIT

26-28 September 2017

As most of us are aware, AFPM went through an accreditation exercise of its training programmes that lead to the Conjoint MAFP/FRACGP Examination with the Royal Australian College of General Practitioners (RACGP) recently. RACGP sent two reviewers over, Dr Mark Miller, the RACGP Censor-in-Chief, as well as Dr Ken Wanguhu, RACGP Rural Censor.

RACGP reviewers met up with both GCFM and ATFM Directors, Prof Datin Dr Chia CY and A/P Dr Chandramani respectively on the first day. They also met with our President, Dr JP Kamalanathan and all EXCO members and interviewed Faculty Members comprising of the Dean of Graduate Studies Prof Datuk Dr Sheikh MA, Censor-in-Chief Dr Emma FZ, Chief Examiner Dr Tan Chow Wei, Chapter of Teachers Chairperson Dr Lili Zuryani and QIP Director Prof Kwa Siew Kim.

Both reviewers also held teleconference interviews with candidates going through the programme as well as repeat candidates.

Both RACGP reviewers were taken on practice site visits on the 27th September 2017 to meet candidates from both private and MOH clinics. Visits were made to KK Presinct 9 Putrajaya, KK Sg Selisek with its Klinik Desa Gedangsa, Klinik Warga Hospital Sg Buloh and Klinik Segara.

The visit ended on the 28th September 2017. RACGP will send a formal report of the outcome soon.

Academy of Family Physicians of Malaysia
Akademi Kedokteran Keluarga Malaysia

Graduate Certificate In Family Medicine (GCFM) 2017

The Academy of Family Physicians, Malaysia recognizes the need for training all General Practitioners to a level of competence in Good Medical Practice to meet the national healthcare delivery standards. AFPM has developed a two year (four semesters) distance learning program for Graduate Certificate in Family Medicine.

The objective of this Online Learning Programme is to provide flexibility in learning for all General Practitioners who meet the entry requirement.

The course delivers high level teaching materials covering all subject areas of interest to General Practitioners. With the Online tutorial support, Online assignment and MCQ test system, the student will be exposed to information technology and update their professional skills via the cyberspace community.

Upon completion of the GCFM programme, the candidate may continue studying by enrolling on the Advance Training in Family Medicine (ATFM) for two years to prepare for the Membership Examination of the AFPM and the Fellowship Examination of The Royal Australian College of General Practitioners. (MAFP/FRACGP)

The first semester will commence with the first four modules, which are to be completed each month. The first workshop will be held on the first week of the semester.

The one and half day workshop will consist of a half day E-Learning session, and followed with one day of Principle of Family Practices, Management of General Practice, Economics of General Practice and Quality Improvement Program.

Application form can be downloaded from <http://www.afpm.org.my>

For further details, please contact:

Academy of Family Physicians of Malaysia
Unit 1-5, Level 1 Enterprise 3B, Technology Park Malaysia (TPM)
Jalan Innovasi 1, Lebuhraya Puchong-Sungai Besi
Bukit Jalil, 57000 Kuala Lumpur.
Tel: + 603-8993 9176 / 9177 Fax: + 603-8993 9187

Academy of Family Physicians of Malaysia

GRADUATE CERTIFICATE IN FAMILY MEDICINE (GCFM)

The Academy of Family Physicians of Malaysia

Applications are now open for the GCFM Intake 19 (Jan 2018). Candidates must have satisfactorily completed Housemanship/ Internship and possess a current Annual Practising Certificate (APC). The 2-year Diploma consists of 16 modules, online MCQs, workshops, assignments, logbook and a final examination.

(Candidates must have at least two (2) years of General Practice or Primary Care experience in the last five (5) years before a candidate is allowed to sit for the GCFM Final Professional Examination)

Please contact secretariat at (603) 8993 9175 / 8993 9177 or email afpm@po.jaring.asia or go to www.afpm.org.my for further information.

(Closing Date to receive application: 30th Sept 2017)

Advanced Training In Family Medicine (ATFM)

The Academy of Family Physicians of Malaysia

The Advanced Training in Family Medicine (ATFM) Programme has been designed to train candidates who wish to acquire the qualification of Member of the Academy Family Physicians of Malaysia (MAFP) which is jointly awarded with the Fellowship of the Royal Australian College of General Practitioners (FRACGP). This qualification is an entry qualification for gazettement to practice as a Family Medicine Specialist.

In this programme trainees will be required to build on their clinical knowledge and skills to ensure that they are applicable in family practice. While guided readings and supervision from mentors will be available, much of the learning of the trainees will be through self-study. Eligibility to sit for the ATFM Examination will be based on the successful completion of all sectors of the ATFM programme.

AIM OF ATFM:

To provide training to medical practitioners for competent, unsupervised general practice

GENERAL OBJECTIVES

- To provide continuing, comprehensive and personalised care to individual patients and their families
- To detect and manage illness early in the community setting
- To provide health promotion and prevention of disease
- To equip general practitioners with the required knowledge, skills and attitude for delivery of the best possible care to patients in the general practice setting, and, to only refer patients if further secondary or tertiary care is needed
- To understand research and/or audit process

CONTENT OF CURRICULUM

- Principles of General Practice
- Chronic Illnesses
- Clinical Management
- Emergency Medicine
- Mental Health
- Aged Care
- Children's Health
- Adolescent Health
- Men's Health
- Women's Health
- Sexual Health
- Care for Groups with Special Needs
- Palliative Care
- Rehabilitative Medicine
- Practice Management
- Health Promotion & Disease Prevention
- Research

At the end of the Programme, ATFM graduates are expected to have acquired the following competencies:

1. Diagnosis & management
2. Evidence-based practice
3. Communication Skills
4. Health promotion, disease prevention
5. Demonstrate commitment through provision of personalised, holistic, comprehensive, continuous and coordinated care to patients and their family
6. Demonstrate adherence to principles of confidentiality, scientific/academic integrity, informed consent, and ethical practice
7. Demonstrate understanding of basic research methodology and be able to develop a quality assurance project within family practice
